### **B 1-Read the passage given below and answer the questions that follow:**

My class is going to the movies on a field trip next week. We have to get the permission slips signed before we go. We also need to ask our parents if they will drive us down to the movie theatre. We are going to see a movie that tells the story from a book we read. We love it when movies are based on books. It is fun to compare the movie to the book. I usually like the book better.

We get to the movie early so that we can buy popcorn. Some of us buy candy and chips too. We all enjoy watching the movie. When we return to school, we talk about things that were in the movie and the book. The movie and the book are similar. **B 2- Read the poem and answer the questions:**

**The Wind and the leaves**

“Come, little leaves,” said the wind one day,  
“Come over the meadows with me and play.  
Put on your dresses of red and gold;  
For summer is gone, and the days grow cold.”

Soon as the leaves heard the wind’s loud call,  
Down they came fluttering, one and all.  
O’er the brown field then they danced and flew  
Singing the soft little songs they knew.

Dancing and whirling, the little leaves went,  
Winter had called them, and they were content.  
Soon, fast asleep on their earthy beds,  
The snow laid a coverlet over their heads.
